## About this home

An open-concept living area makes the Chesterfield floorplan ideal for entertaining. Upstairs, the flexible loft makes a great game room or home office, while the private owner's suite offers a relaxing retreat.

## About Meritage Homes

With more than 100,000 homes built, our focus, since day one, has been to build incredible new homes and communities in prime locations for fantastic prices. We build them for real people: People with families and those without; people with every-day, busy lives, and those who are now enjoying a more relaxed lifestyle. But more than anything, we build energy-efficient homes and communities for people who appreciate a home being built the way it can, and should, be built. For you it means having a new home that comes standard with ENERGY STAR features that save money and energy, month after month, at no extra cost to you.
