About this home

The Dunhill ranch floor plan design is suited for every lifestyle. The spacious open kitchen, convenient family room and cozy breakfast nook are designed for comfort and ease of access. Careful thought has been given throughout to maximize sunny exposure and open interior spaces that make the most of every entertaining opportunity. Custom touches abound with soaring coffered ceilings, drop-zone and a multi-slide patio door that extends the living area onto the screened porch. The flex room makes the perfect home office, playroom or craft room – the flexibility is limitless. The open dining room allows for easy entertaining with its location right off the family room. The split bedroom design gives the secondary bedrooms a wing all to themselves. The master suite is generous and private; don't miss the large master shower and split vanities in the master bath. A second floor bonus room and full bath complete the layout making a perfect spot for a kid's playroom or guest suite for overnight visitors. The screen porch feature a gas fireplace, the best spot for a relaxing evening with the family. The character and livability of the Dunhill make it the perfect home.

About Niblock Homes

Niblock Homes firmly believes in being different - if you stand for something different, you will stand out from others. This has been the basis of the home building legacy Niblock Homes has worked to create since 1979. By constructing homes that reflect our tireless commitment to improve the lives of buyers and communities in the area, we are continually building trust with aspiring homebuyers allowing Niblock Homes to refine its proven customer experience and place every buyer at the forefront of each decision and detail.

2 of 2

Niblock Homes started out as a custom home builder. That means that from day one, we have catered to our customers' wants and needs. We have continuously refined our home plans and processes while balancing our work with a commitment of giving back to this place we call home. We view each home as an opportunity to improve the neighborhoods and communities in which we live. We strive to create an atmosphere of trust so that we will always be proud to put our name on every home we build.
